

Βακεδ Μοηκεψ

From Michigan, Βακεδ Μοηκεψ was formed in 2006 by seasoned musicians from all walks of life who wanted to write, produce and perform their own music. It began with Carol B., *lead vocals*, and Bill Malone, *guitar*. As they wrote for their CD, *Journey of Circles*, they added Dan Logan, *bass/harmonica*, and Amanda Potter, *lead vocals/keyboard/acoustic guitar*. *Journey of Circles* was released in February 2008. After a trip to play in New York City, they added Darin Bacon-*drums* to the lineup. Together, with a wide range of influences from all genres of music, they excite audiences everywhere they play.

In a live show you'll hear some of their original hit songs: *Watching You Go*, *Guardian Angel*, *Circle*, *Stories*, *Endless in Time*, *A Million Times*, and *Charade*. Βακεδ Μοηκεψ also has a wide range of cover tunes available.
